The Digital Adoption Platform (DAP)
for 3DEXPERIENCE

EXPERIENCE MATTERS

TECHNIA
ADDNODE GROUP

New ways of making happy & productive users

In-app user training for 3DEXPERIENCE Platform

MAKING PRODUCT CREATION SUSTAINABLE

Productivity

- Less time waste
- Lead times
- Deadlines & opportunity

Adoption

- Improved user acceptance
- Happy users don't find alternatives
- Data & process secured

Cost

- Small efficient support team
- Less time spend in training
- Less training material maintenance (PDFs, e-learning, screenshots etc)

Did you know 5 min daily time saving in a 10 000 user system sums up to more than 100 employees in total time?

 Integration Framework

The Digital Adoption Platform (DAP) for 3DEXPERIENCE

- 3DEXPERIENCE in-app user training
 - The right instruction at the right time
 - App state sensitive
 - Complex / dynamic processes supported
- 3DEXPERIENCE in-app training creation
 - Create instruction by point and click
 - Relate instructions to app state (object type, UI components etc)
 - Best practices built in
- Up and running with 3DEXPERIENCE in a minute!
 - Cloud subscription (no infra structure required)
 - No server deployment or dependency to normal release cycle (cloud also supported)
 - No service required (pure software deal / instant value)

Positioning

Roles

Consumer

Needs help in using the platform

Consumes in app process guides

Gets the right instruction at the right time
(state sensitive)

Easily finds valid process guides & toggles
on/off

Author

Trainer, support (not a developer)

Records instructions in app by clicking the UI

Uses conditions to make instructions state
sensitive

Lists & maintains instructions over time

Separation

Admin

*Developer (understands HTML, XPATH &
CSS)*

Supports the author with quick conditions

Configures element selection to tune
system support (3DX standards built in)

Configures conditions to support the author
in making state sensitive instructions (3DX
standards built in)

System

TECHNIA

At TECHNIA, we pave the way for your innovation, creativity and profitability. We combine industry-leading Product Lifecycle Management tools with specialist knowledge, so you can enjoy the journey from product concept to implementation.

Our experience makes it possible to keep things simple, personal and accessible so that together we transform your vision into value.

With over 30 years' experience, more than 6000 Customers worldwide and World-class knowledge in PLM & Intelligent Engineering, we work together as an extension of your team to create an exceptional PLM experience.

Our teams work from 21 locations around the world, across vertical industries, delivering a premium service with a global infrastructure and a local presence. We adopt the latest technology and agile methodologies so, even as technology changes, our relationships last a lifetime.
